

Hi, my name is Samantha

Looking for love

Female Dsh Mix Cat

Say hi to Samantha! Are you looking for a kitty that is happy to do her own thing and potter around the house sleeping in the sun while you are at work? Then Samantha is your girl!

This lovely girl is looking for a home that is a little quieter as she can be a little shy to begin with. She does like a good chin scratch and also loves playing in her tunnel and with toys!

Samantha loves the company of other cats and would be very happy in a household with other friendly cats and friendly dogs. Can you offer Samantha a loving home she deserves?
