

Hi, my name is Bali ** Video Attached**

Looking for love

Female Domestic Short Hair Cat

Poor Bali. She is the reason why I get so mad at so many people. Bali is another senior left behind after her owners moved. She has managed to come through this all quiet spectacularly and apart from some scratches on her nose (we call them beauty lines) she is in fantastic health. Bali is super affectionate with her arching back and vibrating tail. She is genuinely happy to see you and tell you how her day was. Bali needs a companion family that will treat her like the senior queen she is, with love and devotion and making her golden years the best they can possibly be. Bali is a neat clean cat, not a fussy eater and loves a brush and a cuddle. If you can be the family that Bali deserves to have then we would love to hear from you. Bali comes vetted and with a show bag full of goodies Cheers XO
