

Hi, my name is Barley A Friendly Happy Boy!

Looking for love

Small Male Terrier Mix Dog

Barley has come to us in a neglected state but he is happy and sociable with all people and small dogs. He is craving affection and is enjoying cuddles and sits on the couch. He loves to give kisses. He is handling the older cranky dogs in the household. He is not dominant at all - such a Teddy bear. He is learning to walk on the lead properly. He isn't a barker and he is pretty well house trained. He has spent a lot of time living outside so we are re introducing him to inside living. His coat is amazing - he is such a pretty boy. He has 2 white feet and a black tail and white on his tummy. His tail is pitch black with the remainder of his coat is salt and pepper. He is long over due for a groom so this will be done asap. Barley is available for adoption but can not go to his new home until he is desexed. He needs to go to a home where he will sleep inside and not be left alone all day. He will want to be part of family activities such as walks and drives in the car. Please phone Kerrin on 0418218582 if you would like to meet this beautiful special boy. He is located in Be...
