

Hi, my name is Jola (5341)

Looking for love

Medium Female Staffy x Shar Pei Dog

~ SAVED BY THE POUND ~ Jola was at Blacktown pound a few months ago until she was adopted. We thought everything was great until we saw Jola listed on the website of another pound. About a week ago, one of our staff members notified the people that adopted Jola from us to tell them that Jola has been taken to another pound. They mentioned that they gave her to someone else. Jola was then placed on the urgent list at the other pound and appeared due to be put down. Luckily, we managed to transfer Jola back to our facility. Jola is beautiful, calm, friendly, has a loving smile, waggily tail and she is now still looking for her forever home. She knows how to sit and shake. After being at two pounds then with two owners in the space of only a few months and now back at our facility, she is well and truly deserving of a loving home. But don't take our word for it, visit our facility to meet her yourself! Jola is about 3 years old, female and looks like a shar pei x staffy. Her adoption fee is \$340 and impound number is 5341. If you have room in your home and heart for her, ...
