

Hi, my name is Maple

Looking for love

Medium Female Kelpie Mix Dog

Maple is an adorable little Kelpie cross girl who is about 7 to 8 months old. She is a playful yet loving pup who would suit a family with another dog, either male or female. Maple loves her rubber toys and she enjoys playing chassy and tug-o-war around the backyard. Maple is accustomed to sleeping outside in a kennel but very much enjoys spending time inside of an evening also. She is quiet and well behaved at night and is quite obedient. She is lead trained, works well in obedience classes and listens to commands at dinner time. Maple has a very good appetite and would benefit from a usual dinner plus some treats during the day. She loves the company of people and happily follows you around the house or the yard and she comes when called.
