

Hi, my name is Beare Loves His People

Looking for love

Medium Male Staffordshire Bull Terrier Mix Dog

Beautiful Beare loves, loves, loves people and especially children! Beare is toilet trained, travels well in the car and loves his walks! A home with children or where people are home a lot of the time would be wonderful. Taking Beare to work would also be great for him. He does live with a doggy friend in his foster home. Beare gets very excited when meeting new dogs and can be a little rude to start with. Beare likes to be with his people and climbs the fence to get to them. Whoever adopts this precious boy will need to keep him secure for possibly 6 months until he bonds. He is so worth the effort! We are happy to help fund a committed owner with securing the fencing. He is not cat friendly. Beare is currently located in Rosanna. If you are interested in meeting Beare, please complete an adoption form at www.startingoverdogrescue.org.au
