Male Domestic Short Hair Cat

** We would like Tyler to go to his forever home / new foster home with his life companion, Thomas (<https://www.petrescue.com.au/listings/411902>) ** TYLER - IF171-15 Date of Birth: 10th Dec, 2013 Rescue Date: 20th Nov, 2015 Location: Parmelia, WA DESCRIPTION Tyler is a domestic short hair black & white male cat. HISTORY Tyler arrived in the pound as a surrender, along with his fellow kitty Thomas. Both cats were in good condition physically. TEMPERAMENT Tyler was quite shy at first, even after arriving in his foster home, but he has really come out of his shell. He is great with kids and adults alike, and gets on well with his housemate Thomas. LIKES / DISLIKES Tyler likes to be able to take his time in getting to know new people. But after he does know them well enough, he likes very much to get snuggles and pats. IDEAL HOME Tyler would be great in a home with people who let him settle over some time. He would be fine with kids. He hasn't been tested out around other animals yet.
