

# Hi, my name is Sid **\*\*Video Attached\*\***

## Looking for love

### Small Male Jack Russell Terrier Mix Dog

Sid is a great little dog looking for a fantastic home. He is full of energy and playing is his most favourite thing next to a good belly rub and a tasty treat. Sid would suit a home with older children and a family environment as he dearly loves a game and attention but he may jump up on tiny children. Sid would like a home with no pocket pets and didn't mind the cats but care would have to be taken that he doesn't chase, a nice calm sister doggy would do the trick. He would love to be a family dog so being allowed to come inside and go on exciting adventures is a must. A comfy bed and a shell pool would top of this little mans life

Sid has been a very good boy at the shelter and loves a game of anything with heaps of giggles and running involved. He has a gentle mouth and you can handle him whilst he is eating. He will chase a ball but depends on how he is feeling as to wether he brings it back or not Sid will be available to leave the shelter on the 8/1/15 Looking forward to seeing you there Cheers XO
