

Hi, my name is Fleur

Looking for love

Female Domestic Short Hair Cat

**** NOW AVAILABLE FROM AAPS**** Fleur has been such a good mumma cat looking after her three daughters and retaining her lovely nature. It is now time for her to begin her new adventures and find a family of her own. Fleur has an engaging nature. She likes to know what you are doing and twine around your legs asking how your day has been. Fleur would prefer to be an only cat though we are happy to adopt her out with one of her babies so that she has some company. An inside family cat would be the best life for her and someone who is going to keep up with plenty of food so that she continuous to put on weight since she has had her babies. If you think that you can offer the very best home for our flower we would love to hear from you Cheers XO
