

# Hi, my name is Ivy And Zues

## Looking for love

### Small Female Lhasa Apso Dog

Our names are Ivy and Zeus. We are a pair of smoochers looking for our furever home together as we are besties so we need to stay together for always... Ivy- I am a little 5yo girl and when I try to bark, only a funny little croak comes out if at all. The vet thinks that I have been de-barked, but it sounds funny when I call Zeus..... Zeus I am a quiet little 3yo guy that likes to sleep in his cot at night. <Together> We are little Lhasa Apso's that used to be kept outside, but since we moved and discovered couches..... OH BOY !!! . We like our food, and our current mummy is using that to train us up a bit. Ivy is still a little scared of the doggy door, so she is still receiving encouragement. We are both de-sexed, immunised, wormed, micro chipped and just had our pearlies polished. So who wouldn't love us ? Because of our coat, we need to go to the groomers about 4x a year. Will YOU be our new mummy and / or daddy ?? PLEASE CONTACT FOSTER CARER DIRECT ON 0435344048 OR [willy\\_mania@lycos.com](mailto:willy_mania@lycos.com)
