

Hi, my name is Milo Kitten

all the enthusiasm

Male Domestic Short Hair Cat

I'm a gentle, loving little man who would be stoked to find a forever home with another furry friend who will let me smooch and snuggle with them. If you don't have any smoochy fur babies I will just have to smooch you! I love to lay on your lap and keep you warm. I've been told I have a classic Egyptian profile, with a long elegant nose and a body to match. I assume that's a good thing but you could always come and meet me to decide for yourself. My foster Mum finds it hard to get good photos of me because I am often busy playing and when I am not I am on her lap Milo is dog and cat friendly. Can appear to be a little stand offish but that soon melts away once you pick him and give him a cuddle. Is very playful and adapts to new surrounding very quickly. Milo does not wish for you to waste money on cats toys, he's happier with 'found' toys like twist ties and cotton buds than with bought toys. Milo is litter trained and happy to eat whatever food Dont forget to watch his videos to see how loving this boy is.
