Small Female Italian Greyhound x Whippet Mix Dog

SPEEDY IS CURRENTLY TRIALING HER NEW HOME - NO MORE ENQUIRIES/APPLICATIONS PLEASE Hi, I'm Speedy! Have you ever met a Whiggie? I am a Whippet with some Italian Greyhound in my family background (I look like a very small whippet - and if I say so myself, I am quite the gorgeous girl! Check out my eyes - then think of Dobby from Harry Potter!) I am 4 years old, have grown up with little people (kids are great!) and I get on well with other pets, even pussy cats (I am currently living in a farm foster home with 5 other dogs including some VERY large ones and other Whippies - we all get on fine!) I love being with people and having company - I don't think I would be a happy Whiggie if I was by myself very often, so I would really love to find a home where I had my person with me and another fur friend to play with. Going for rides in the car is fabulous as is sleeping inside with you. I am also partial to a nap on your lap if that's ok? I don't eat much - I promise! (My special favourite is roast chicken ... and cheese!) Another of my favourite things is going for a wal...
