

Hi, my name is Sally

Looking for love

Medium Female Bull Terrier Dog

Sally is a completely adorable 4 year old smoochy girl who loves nothing more than her people! She came to us from a neglectful home where she was seized during a police raid. She was very underweight with ribs sticking out and was covered in ticks and fleas and has clearly had puppies in the past. We mainly rescue greyhounds but Sally was so lovely that we just couldn't let her be put down and picked her up when we rescued a greyhound from the same pound. Little Sal has received much love and care from her foster carers at Amazing Greys and her coat is now glossy and beautiful and she's a picture of health. Now that we know her well, we know she's going to make someone or some family the pet of a lifetime. Sally is keen to please and comes when she's called. She has been taught to "sit" on command and will even put herself in "sit" in anticipation of a walk as soon as you get out her harness and leash. Sally has now been taught "wait" and will sit and wait for her dinner, not beginning to eat until you say "okay". She will wait when asked instead of rushing through...
