

# Hi, my name is Yomi And Kagura (In Geelong)

Cat & Dog Friendly

## Female Domestic Short Hair Cat

\$50 for both! Kagura (Tri) and Yomi (Torbi) are sisters that were orphaned. The girls were found without a mother cat by a member of the public when they were only 2 weeks old. They were given to a pound then made their way to FFAR to be hand reared. At first they are a bit unsure of new people but quickly warm up to you and when they do, they give endless cuddles! Yomi is a purr machine who likes to sit on your lap and Kagura is very playful. They need to be inside only cats and/or would love an outdoor enclosure with free access in and out. These girls are on a diet of premium dry food and complete & balanced raw - They refuse to eat most brands from supermarkets! Yomi and Kagura are very closely bonded, so we would like to see them adopted together.
