

# Hi, my name is Zara

## Looking for love

### Female Domestic Medium Hair Cat

Zoomy Zara is an active kitten who just loves life and thinks everything is so much fun, which will certainly provide hours of entertainment to her new family! Zara enjoys playing and hanging out with other dogs and cats and could easily win the award for fastest leap frog, she's so fast that she leaves her foster doggy siblings bewildered as to what just hit them! Zara has a super soft, medium hair, low maintenance coat and has a delectable purr when you scratch her chin in just the right spot. Zara has been desexed, microchipped, flea and worm treated and fully vaccinated (initial plus 2 booster vaccinations required for kittens). She is also litter trained. If you think Zara could be the perfect match for your family, then please send us an enquiry, we'd love to hear from you!
