

# Hi, my name is 401

Looking for love

## Medium Male Staffy Mix Dog

~ 401 LOVES PLAYING IN WATER ~ "For 71 days I have sat in my kennel. So patiently and so calm I have thought my day to get adopted would have been weeks ago. I think it might be taking a bit longer because of my VERY strict adoption criteria. I MUST be adopted by a family that will give me water to play with. That's it... When I am let in the yard I run around and love playing. But the one thing I like more than playing is playing in water. It doesn't matter if it's a shell pool of water, bucket of water or a tap, I will play with it all. If you sound like you might be the right family for me, please visit the facility to see how I play with water around you. I am 2-4 years old, my impound number is 402, I am a Staffy x, male and my adoption fee is \$204 which includes desexing, vaccination, microchipping, lifetime registration and a vet check."
