

Hi, my name is Tammy

Looking for love

Female Domestic Short Hair Cat

Tammy came from a hoarding situation. She was very scared but has settled more over the years but we are looking for someone who will give her the patience she needs and deserves. She needs one on one time so anyone up for a challenge will find it very rewarding to gain her confidence and become part of a loving and understanding home. If you think you are up to a challenge with our Tammy please contact us. Definitely inside or enclosure only because of her timid nature. She is one of our longest resident cats so deserves a place to call home.
