

Hi, my name is Ivy

Looking for love

Female Domestic Medium Hair Cat

Ivy is an adorable little puss, which is currently being fostered by Bonnie, one of the nurses at St Kilda Veterinary Clinic but is in need of a forever home. She is mostly very gentle and calm, but there is a playful side to her too. She likes to explore by climbing and jumping all over things and she loves to entertain herself with toys. She really enjoys a good pat and will comfortably fall asleep on you purring away. Ivy is happy playing with other kittens, cats and small dogs once she gets to know them. Ivy is litter trained as well. The adoption fee includes desexing, microchip, vaccinations and flea/worm treatment.
