

# Hi, my name is Pascal (Located In Templestowe)

## Looking for love

### Male Domestic Short Hair Cat

Sweet baby-faced Pascal is waiting to find his furrever home! Little Pascal needs lots of love and attention as he is still learning to be brave and come out of his shell. In a quiet environment, he is affectionate and loves attention. He's very quiet and shy to begin with, but seeks out a nice warm place to sleep (which will probably be right near you). He loves rubs under the chin, and will allow pats on the head and down his body -and loves to sit with you. He will need time to get to know you, but will adore you if you are patient and attentive.

He loves food - you can hand feed him to lure him to you for pats. Pascal has been living with other cats that he gets along fine with. He's used to kittens and adult cats. He will keep away from noise, so maybe a quieter home suits his taste better than a busy family environment. Check out the video for some adorable footage of Pascal's antics! His wide-eyed expression has inspired a comic! See the photos section for this clever piece of artwork! Apply online at <http://www.neko.org.au/adoption-application/> ...
