

# Hi, my name is Myra ~ Beautiful Girl

## Looking for love

## Female Domestic Medium Hair Cat

MYRA Hi there! My name is Myra. I'm fluffy and pretty and full of personality! I didn't have the best start to life, and I thought the world was a little scary, but I've been in foster care for a long time now and I am happy and confident and not scared any more. I may take a little while to warm up to new people, but once I do I will smooch and purr and cuddle for hours. I love it when people pat me and stroke my big fluffy lemur tail, while I knead away at them with love. I'm still a kitten at heart too, and love a good play with some kitty toys. I live with dogs as well, so I know a bit about them. I'd take some time to get to know a new doggy friend, but then I'll be happy to play and snuggle with them too. I've been in foster care since I was 12 weeks old, all my brothers and sisters are gone to their forever homes now, and I'd really just love some people of my own. Someone to love me and cuddle me and play some kitty games. Please come meet me and fall in love.
