

# Hi, my name is April

Devoted Companion

## Female Domestic Short Hair Cat

April has been with us for a few years and will be a long term resident. She can be aloof when the mood takes her. She's not overly interested in associating with the other animals and likes her own space. She can be very affectionate also when the mood takes her. She is difficult to rehome because her independent nature doesn't suit a lot of situations. She is however 100% happy with her life as it is at the moment and we continue to hope that her very own 'person' will walk in one day and the perfect match will be made. If you'd like to sponsor April, please email [kittycatsnat@gmail.com](mailto:kittycatsnat@gmail.com). If you'd like to adopt April, please fill in the adoption application form available on the website [www.brisbanevalleycatrescue.com](http://www.brisbanevalleycatrescue.com).
