

# Hi, my name is Scrappy

## Looking for love

### Large Male Shar Pei Mix Dog

Slaphappy Scrappy is such a striking young spunk! If you've been searching for a buddy to join you in your active lifestyle and adventures, then look no further, Scrappy is up for any adventure, any time! Whether you enjoy going for walks, runs, or driving to explore new destinations, Scrappy will always come along with his great energy and enthusiasm! Along with Scrappy's adorable face, he can sit, drop, shake each paw on command, is super friendly and affectionate with most people. With this combination, he would make a great wing man for those wanting a helping hand in meeting new people ;) Scrappy is food motivated and responds well to treat training. Like a true gentleman, he takes treats from your hand ever so gently and never snatches. Scrappy is very playful and loves balls and toys. He can be selective with which dogs he honours with his friendship but when he does, he loves to run around and play with them. He adores his small Maltese doggy foster sister Bella, who he is so gentle and submissive with, as she's such a little bossy boots! Check out the vide...
