

Hi, my name is Hope (Adoption Pending)

happy sweet girl

Medium Female Cross Breed Dog

This girl is snuggles on paws! With a name like hers, you can't but smile and to meet her brings that same cheerful feeling. She's a young, happy girl who gets long well with other dogs and welcomes whatever comes her way She wants to belong to a family who can give her the love and time any teenage girl demands! She's highly trainable, and hasn't shown an ounce of grump! She'll need 6 ft fencing to keep her safe, and while she loves a furry friend, could probably be an only girl too with the right amount of family time of course! She travels well in the car, and would be fine with kids (as long as they understand youthful dogs can sometimes be, well, a little over-youthful)! All in all, she's a lovely young girl with nothing but kindness and love for the world around her!
