Pretty As A Picture

Looking for love

Female Domestic Long Hair Cat

Meet two year old October. Beautiful October enjoys lying in a sunny window soaking up rays and playing when not working on her tan or recovering from the day's exertions. She didn't have the greatest start in life and was quite a wild cat when she first entered care. With a lot of love, time and patience in foster care, she has blossomed and has become a lovely indoor only cat. She's not too sure about human contact just yet so would suit someone who would love a companion but doesn't need a lap cat - however, given her amazing transformation since she came into care, and with continued guidance, anything is possible! She loves other friendly cats so if you are looking for a friend for your existing cat, she is your girl - but she would also be happy on her own. She hasn't been tested with dogs but we would suggest a no dog household. Must be an Indoor only cat (though i'm sure she would adore having access to a sunny secure outdoor cat enclosure!!) She is a stunning little lady and very much looks forward to finding her forever home where she can be loved and treated like the...
