## Female Domestic Short Hair Cat

PRETTY AND DEMURE TORIL. Introducing the very cute Toril. This little girl is very easy on the eye. With her auburn highlights and her ginger Bindi.. she is sure to win hearts. Toril can be slightly aloof at times but that doesn't mean she doesn't want to spend time with her human. She is never far from her carer's side and loves to have a snuggle in the bed, assist you in your kitchen work and in your bathroom routine. :) Toril would best suit a quiet home where she will be the most treasured princess ... but perhaps you have room for her and her brother! They are best friends! And two is always better than one in the case of kittens. Check out his listing below.. <https://www.petrescue.com.au/listings/452332> Check out other pictures of Toril using the hastag #torilthefosterkitten :-)

Toril is a gorgeous and happy healthy girl and is ready for her forever home now! <3 She is Desexed, treated for worms and fleas and vaccinated.
