

# Hi, my name is Cosmo **\*\*On Trial In My New Home\*\***

Looking for love

## Medium Male Red Heeler Dog

Cosmo is a happy boy, intelligent and easy to train. Has a very nice friendly personality and mixes well with the other dogs I am fostering and he also loves to go to the park where he can meet other dogs and have a play. He would be great as a family dog with children over 10 years of age as he still likes to jump up on you. He also would make a wonderful companion for a single person or a couple or a retired person. He wouldn't mind sharing with a female dog either. Not sure how he would be with cats and a careful introduction would a good idea. He is toilet trained.
