

Hi, my name is Misty

Looking for love

Female Domestic Short Hair Cat

Misty is a quiet gentle girl who adores a soft cuddly bed and is happy to provide a sympathetic ear to hear about the worries of your day. She is rather unique as she has a bob tail which sets her apart from the others cats and is a beautiful dark tortishell colour. Misty graciously acknowledges any attention passed her way, she can be cosseted to play with a little felt mouse but what she would really like is a home with an older couple or childless couple where she can just pass her days in peace and quiet. Misty is a very clean eater and keeps her room very tidy. She doesn't mind a bit of cooked chicken or yummy tinned tuna either. Misty is very good to pat and vet and is just a lovely serene young lady. Cats like Misty can sometimes be overlooked but I can assure you if you do your missing out on the rarest of gems so please contact the shelter and ask for an application form to be sent to you. We are looking forward to meeting you Cheers XO
