

Hi, my name is Jed

Looking for love

Medium Male Red Heeler Mix Dog

Jed is so grateful to be out of the pound and he shows his gratitude every day. We have no idea why he was in the pound as it can be of no fault of his as since being with us he has shown what an amazing gentle soul he is. Jed is currently living with other dogs no problems he just loves them all. There are cats and kittens Jed just wants to be their friend some cats may not appreciate his sloppy kisses. We haven't had Jed around small children he may be a bit boisterous but with more training this would more than likely be ok as he loves my teenage son. Jed is learning to walk on the lead and knows basic commands. This bloke will need to be a part of the family and he will be a very happy and loyal companion. If you are looking for a handsome loyal friend Jed will be an asset.
