

Hi, my name is Peppi

Looking for love

Male Domestic Short Hair Cat

Peppi the love machine. This little guy is the perfect cat. He loves his play time, chasing his toys and playing with his feline friends. He is super snuggly and adores humans. He is very confident and even good with strangers. Peppi doesn't cope well without company so he needs a home with either an existing feline or someone that is home more often than not.
