

# Hi, my name is Khaleesi

## Looking for love

### Medium Female Staffy Mix Dog

Khaleesi is a very high energy girl who loves kisses and cuddles. Out on a walk she is very alert, hypervigilant and sometimes quite anxious. During the day she needs to be kept busy with kongs and toys and plenty of exercise. We believe she is hard of hearing. She has a short coat and weighs 12.7kg **SPECIAL NEEDS** All dogs need loving attention but some rescue dogs require extra special help. They are looking for dedicated families who can commit themselves to a greater investment in their long term health. DoggieRescue is looking for Special People. Please consider opening your heart and home to one of these special dogs. Garden: Needs a home that has more space as well as a garden for exercise and regular walks outside. Suit Part Time Worker: Copes alone for short periods, with training possibly longer but presently does need someone home part of the time. Adult Home: Nervous or not tolerant of children. And/or too high a level of excitability for children to control.
