

Hi, my name is Gracey

Looking for love

Female Domestic Short Hair Cat

Gracey is a little sweet heart. She is a very unassuming little girl who loves to play with toys or her other foster buddies. Sometimes you will find her amused for ages by her tail or her piece of foil. She knows her name very well and will answer to it instantly unless she is playing tiggy. Gracey loves a cuddle, but sometimes she will just seek you out for company and play alongside you. As she is used to cat and people company, if she is going to be alone for long periods, I would advise considering a friend for her. This would prevent her sweet, quiet nature turning to timidity. If you think she is the right fur treasure for your family or as a friend for your furbaby feel free to make a time to come and meet with her. All Little Paws kitties come to you vet checked, desexed, vaccinated, micro chipped, wormed, flea treated and litter trained. As we are a rescue group, the adoption fee is not negotiable. Little Paws kitties are indoor or cat enclosure only and must go to homes that intend them to stay that way, for their safety and health and for the environment. ...
