

Hi, my name is Paddy

Looking for love

Medium Female Staffy Mix Dog

This beautiful girl was rescued from the pound as her old owners didn't come to get her. Her name now is Paddy and she is about 18mths old and a staffy x. She has had pups and sadly was pregnant (just) when she was desexed which is sad for her but good for her future as she will not have to have any more puppies. I can't believe what a gorgeous girl she is. She is so quiet and gelled out I don't even know she is in the house. She is fantastic with every dog big and small, male and female. She is very much an inside dog. She still has the odd accident inside but that is getting better. She doesn't jump fences or dig. She comes when she is called. She walks well on a lead. She isn't bothered about anyone being near her food, and just such a gentle girl. She would be good with or without another dog but some one that is home a fair bit and wants a companion.
