

# Hi, my name is Macy

## Looking for love

### Female Domestic Short Hair Cat

Macy is a complete darling although slightly mad! She thinks she is a dog and loves to play fetch! Throw Macy a rubber band and she will bring it back to you and drop at your feet for another go! She will also follow you around the house and inspect what you are doing. Macy has the softest and most exquisite coat. Her amazing markings defy her humble beginnings.

Macy was found hiding under a pallet in a truck weigh bridge at just 12 weeks of age. She was very scared when we found her and is initially nervous around new people but once she knows you she will come for snuggles and make herself at home on your lap while you watch tv. Small children make Macy a little nervous however a nice relaxed home with older children or adults would be perfect. She adores other cats and kittens and a house with an existing friendly feline would suit her down to the ground. Macy needs a special someone who will give her time and let her flourish.
