

Hi, my name is Hope (And Sheldon)

Sweet and Petite

Small Female Chihuahua Dog

Long Term Foster Wanted Hope and Sheldon are two tiny little dogs who are a bonded pair and loved deeply by their humans. Unfortunately, these humans have to go overseas for 2 years for work. We are seeking someone special - who might have room in their home and their heart to care for these two little puppies and be able to return them to their fur parents upon their return. Said fur parents are happy to cover all of their costs including pet insurance for the duration of their stay - and would obviously like updates on how they are going. Hope is a sweet little girl who is a little anxious initially. She loves playing ball and cuddles, and looks out for her little fur bro' - Sheldon (who was born deaf). She enjoys a walk each day and would love to share your bed! If you have a relatively quiet home, don't work full time and would love to have a couple of beautiful dogs to share your life with for a time - but can't commit to forever - please get in touch.
