

# Hi, my name is Rosie

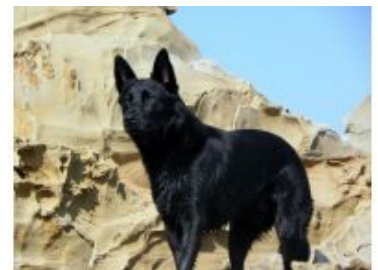

## Loyal and Intelligent

### Small Female Papillion Mix Dog

NOT TAKING ANY MORE ENQUIRIES AT THIS STAGE, PLEASE. Rosie is a once in a lifetime dog. Sweet, obedient (with very little training), loyal and loving, Rosie is everything you could want in a furry companion. Rosie likes to give a lot of eye contact and tries her best to please. She is sensitive without overt timidity, active without being demanding and loyal sans-co-dependence. Rosie has spent most of her life on the end of a chain, a past which has still failed to dampen her spirit. In the short months I have had her she has progressed in leaps and bounds, learning general manners, house training and recall with ease. Rosie is unused to small children, and thus would be more suited to an environment with no children or older kids. I am looking for a home deserving of Rosie's devotion. Somewhere she can settle down and live the second part of her life as a cherished and respected part of a family. She does get along with other dogs, but takes a little while to warm up and prefers dogs her own size. She has lived with cats in the past and simply ignores them. ...
