

# Hi, my name is Sydney

Playful, loving, social

## Female Manx Mix Cat

Sydney is ready to find her forever family. Sydney was rescued with her babies from the pound and has been waiting to find a home that will love her till the very end. Sydney is such a sweet affectionate girl who loves cuddles and even belly rubs. She is the most social cat I've ever had in care taking new kittens and cats under her wing the second she meets them and isn't fazed by my dogs either. Estimated about 1yr old she still has a playful nature and loves her toys. Sydney is a Manx x which means she only has a little stump for a tail.

Microchipped vaccinated wormed desexed
