

# Hi, my name is Snoopy (Adoption Pending)

Outgoing and sweet

## Large Female Bull Arab Mix Dog

Oh what a delightful sweetheart Snoopy is! Snoopy is a mature lady who still loves a good romp and play. She is outgoing and adventurous, and still has so much fun to have with her new family. Being a more mature lady, she enjoys the company of other dogs, but likes polite friends to play with (though who doesn't). She is an extremely well mannered and polite lady and will be sure to impress with her manners both inside the house and out. This girl is cuddly and smoochy, but also loves to have some fun and isn't the desperately needy type. She will delight you instantly upon meeting her, as she has a big heart and so much love to give some lucky family. She acts as though she's known the love and fun of kids and could do so again - if you ask her nicely, she'll sit, lay down and shake paw at request. She's a lovely girl passed puppy madness but with ample time and love just for you!
