Large Male Rottweiler x Staffy Mix Dog

ROCKY IS CURRENTLY TRIALING HIS NEW HOME - NO MORE ENQUIRIES/APPLICATIONS PLEASE Hi everyone - my name is Rocky! Apparently there was a film made about me years ago with some bloke named Sly in it ... it was the story of someone who got a second chance to do wonderful things, just like me! I am much better looking than Sly though, in my own opinion of course - and I bounce around on my toes more than he did! Actually, I am pretty bouncy all of the time - nothing beats bouncing ... other than pats or cuddles, oh - and yes, there is cheese and chicken necks - mmmmm! I am mainly rotti apparently, but have a bit of staffy in me - whatever that means. I'm gorgeous anyway - just look at my eyes! I am only a young bloke - around 7 or 8 months, but I am going to be a big fella when I grow up - my foster mum says my feet are the size of dinner plates! I can't see the problem - you know what they say about big feet yep - big heart! I am living on a huge farm in North West Victoria with lots of dogs and other critters. I love them all and have a ball playing with the other do...
