

Hi, my name is Raine

Looking for love

Medium Female Jack Russell Terrier Mix Dog

Raine is a stunning small to medium size 8 year old Koolie X JRT who has thrived since coming into care. She is a sweet and affectionate girl who loves cuddles and sitting on your lap. She is also great with other dogs and has previously lived with cats. Due to her background, Raine is looking for a home with another dog to keep her company. Raine is currently living with other dogs and sleeps outside at night in her kennel or stretcher bed and spends time inside during the day. She is doing well with her toilet training but will need to be taken out regularly to reinforce this. She is also living with horses and chickens but does like to chase them, although will not hurt them. This gorgeous girl came in to care as a very timid girl, with half of her fur missing and two ear infections. Watching her journey has been a very rewarding experience. It's now time for her to find the happily ever after she deserves as a much loved and valued family member. Raine is located in Werribee Vic
