

Hi, my name is Tristen

Gorgeous playful kitten

Female Domestic Short Hair Cat

Check out their latest video just published * It is our wish for these babies to be re-homed in pairs and as indoor only cats. They deserve to be protected and live a long beautiful life * Tristen is the only girl out of 4 gorgeous siblings. Their beautiful mumma is also tabby and white and was rescued by us off the streets where she lived in an inner west colony. Tristen has gorgeous silver tabby markings. She is absolutely delightful and has no problem keeping up with her rambunctious brothers. They are great playmates and it's our wish to adopt them together in pairs however we may consider adopting out separately only with the proviso that there is already another friendly playful kitten or juvenile feline in the household. Tristen's siblings are: Tarkyn (male) - <https://www.petrescue.com.au/listings/473431> Rene (male) - <https://www.petrescue.com.au/listings/473696> Sharrod (male) - <https://www.petrescue.com.au/listings/473698> More information to follow soon...
