

Hi, my name is Sharrod

Playful and gorgeous

Male Domestic Short Hair Cat

Check out their latest video * It is our wish for these babies to be re-homed in pairs and as indoor only cats. They deserve to be protected and live a long beautiful life * Sharrod is one of 4 gorgeous tabby and white siblings born with us after we rescued their pregnant mumma off the streets. They are all absolutely delightful and have been together as playmates since birth. It is our preference that they be adopted as pairs unless you have another friendly furr-baby for him to be friends with. Sharrod is a classic tabby and white. He's gorgeous and very playful with his brothers and sister. They love humans too. Sharrod's siblings are:
Tristen (female) - <https://www.petrescue.com.au/listings/473693> Tarkyn (male) - <https://www.petrescue.com.au/listings/473431> Rene (male) - <https://www.petrescue.com.au/listings/473696> * Check out how gorgeous they are in the videos posted here too More information to follow soon...
