

Hi, my name is Jaxon ~ On Hold 3/9/16

Foster carer needed

Medium Male Husky Mix Dog

SPECIAL FOSTER CARER NEEDED Hi I'm Jaxon and I'm an 18 month old husky x boy. I'm looking for a very special person to be my foster carer to help with learning to trust people again. The exact details of my past are unknown however it is clear that my past hasn't been a very positive one as I'm scared of many things. I'm a very nervous boy who will bark at people when frightened - I'm not mean or nasty - just very scared. I'm very nervous of men but with time and patience I do warm up to them. I would love to find an experienced dog lover single or couple who can take over and commit to helping me trust people and social environments. Once I know you I'm loving and enjoy affection so the reward of earning my trust is so worth it. My perfect foster home would be a quiet one with no children, a safe and secure yard to play in and perhaps one other adult friendly dog who can be a good role model for me. Once I'm settled I'm very playful with other dogs. My perfect foster parents will be committed, have lots of patience, be experienced with fearful dogs and behaviour ...
