### Female Domestic Short Hair Cat

Location: Tanah Merah Cat Scope: solo diva Dog Scope: solo diva Child Scope: children 12 plus years please Vet Notes: special diet required About: Smooch – it's all in a name! This gorgeous young girl has so much affection and love to give in the right forever home, she is quite the confident little kitty so upon meeting her while she may take a few moments to figure out the new human in front of her it won't be long before she's head bopping you for pats and cuddles whilst purring contently. Smooch came into the care of BFF from the pound who initially believed she may have been pregnant – however it turned out that she has Megacolon which is a medical condition in her intestines. Through the care of BFF she is now on the right track of a healthy tummy through a special diet of 'Hills Prescription' dry cat food which is only purchasable through your local Vet. As we recommend all cats to be on a high quality diet anyway, while this is a higher priced food, it is also the only food she requires which balances out the cost in the long run. Smooch is very sociable wit...
