

Hi, my name is Poppi

Gorgeous starlett eyeliner

Female Domestic Short Hair Cat

Poppi is our own little bit of Hollywood seriously have you ever seen eyeliner so perfectly applied. Beauty queen on show, its now time for her to strut her stuff and find a home that befits a glamour puss. Poppi has a great serenity about her. She is a calm, introvert happy to shower her love on her human companions with rubs and a purr that you wouldn't even know was being emitted until you are patting her. Poppi is a very clean girl, she eats daintily and likes fresh food produced on demand. She is good to brush and was very good to vet.

She would like a family that reflects her nature, children that are a little older and no cats would be ideal. A brother may suit her and possibly a dog that was very good with cats and didn't bother her to much. Poppi has a heart of gold and a welcoming presence about her. She is just one of the many beautiful adult cats at the shelter looking for a new lease on life and somebody to lavish attention on her. If you would like to meet Poppi please contact the shelter and request an application. You can also contact the shelt...
