

Hi, my name is Ryley

Good with cats and dogs

Medium Male Staffy Dog

Ryley is a gorgeous little English staffy. This little mans life has been tough on arrival he was very unsure of us but Immediately was at ease with all the other dogs and perfect with the cats and kittens. He has a lot to learn as not housetrained but slowly learning he needs to start from scratch really to be guided with kindness. Ryley loves to play but when he is tired he just wants to cuddle up with a human and snore away. This little fella is a gentle soul with an incredible amount of love to give. If you are a looking for a sweet natured dog whoes tail never stops wagging Ryley could be the puppy for your family.
