

Hi, my name is Mandy

Looking for love

Small Female Fox Terrier x Staffy Mix Dog

Are you looking for a sweet companion animal? Mandy is quiet, reserved and a very clean little lady that is house trained. She is shy when first introduced to strangers but soon becomes friendly as she gets know you. Mandy is good around other dogs but as with humans she is reserved at first. Mandy is too much of a lady to play with toys or chase a ball, she would rather curl up on her favourite humans lap. Once she gets to know her human mum or dad she will bond very closely to them and will want to be with them all the time. She sleeps on her own bed beside her foster Mum's and Dad's bed and does not move all-night. Though she would not admit it, she snores ever so quietly. Mandy would suit someone that is home quite a lot as she gets very upset when left alone for long periods so secure fencing is a must. So if you are looking for a quiet, mature, clean little dog that will be your close companion please consider Mandy.
