

# Hi, my name is Pixie

Loves people & other dogs

## Small Female Cross Breed Dog

Pixie is a young carefree dog who has only just turned 12 months old. Pixie currently shares her foster home with 6 other small dogs & loves them all, especially for a play & snuggle. Did I mention that Pixie also loves people & is happy to sit on your lap as long as you allow her. Pixie is only very small at 4.2 kg and has a plush easy care coat. Pixie has lived with cats & small children in the past, however due to her small size she is not suited to a home with very young children.
