Looking for love

Female Domestic Short Hair Cat

♥In celebration of being a Queen this Queens birthday, my adoption fee has been reduced to \$50 for one week only - Ends Sunday 18/6/17♥ Lizzie is a real Princess! A sweet and petite girl! She is quite shy & timid, but with gentleness, patience, affirmation & kindness, she will pay back dividends with love, purrs & rubbing against you. Lizzie is more than happy in her own space, resting on her various beds. She's so quiet, but when she needs you she'll inform you promptly with her little girlie sing-a-long vocals, or will visit you where you are in the house, waiting till you move towards her, and she will rush ahead to show you what she needs. When you're in the act of cleaning up after her or feeding her, she will rub up against you as if to say 'thank you so much!' Sometimes you may wonder what she wants after checking all the regular requirements are up to scratch...If you sit & wait in her space she will approach you with purrs, rub against you & make gentle head bumping requests for a good head scratch/rub. She loves her cardboard scratcher & scratching pole. Li...
