

Hi, my name is Harley (3622)

Happy little nugget boy

Small Male Staffy x Shar Pei Dog

~ A HAPPY NUGGET BOY NEEDS A HOME ~ Harley is one of the sweetest little nugget dogs we have :) He's a little boy who will do anything in his power to play with toys forever and ever. Loved by our staff, he will certainly make his new parents very happy with his great big smile and his love for bones and toys can keep him entertained for hours! Harley recently found himself a girlfriend named Lexi (3458) and they are sharing a kennel together and he appears friendly towards other dogs at the facility. Please visit the facility if you are interested in adopting him. Please bring your dog to the facility to meet Harley if you'd like to see if they will become friends. Harley is 8 years old, he looks like a shar pei X and his impound number is 3622. His adoption fee is \$150 and it includes desexing, vaccination, microchipping, lifetime registration and a vet check.
