Hi, my name is Skully & Izzy

adorable & playful pups

Small Female Chihuahua Mix Dog

Skully and Izzy are brother and sister and are just beautiful little darlings! They really love each others company, play and sleep together, so we are trying to re-home them as a pair. They weigh in at a massive 2.6kg at the moment and are 5 months old. The little girl is more outgoing than her brother, but they are still getting used to their change of circumstances. MDR had them brought over from Bathurst which in itself was a huge move for them so they are still adjusting to their new, strange environment. Being Chihuahua mix they have a manageable short coat which doesn't take much looking after. For more information on these little darlings, please contact Nigel on 6584 4992.
